

ElevateFlex Ambassador Program

Benefits

Enhance your career and develop your personal brand on your terms.

You worked hard to develop your skills and establish yourself as an experienced lawyer or legal operations professional.

Now it's time to try something new. A portfolio career combines the deep business strategy of a law department with the variety of law firm work.

Join a
Community
of Top Legal
Talent

We provide:

- Personalised career and brand development
- Sales and marketing support
- Training and coaching with access to our global network of experts
