

Flexible Legal Talent

Scale Your Global Team With Vetted, Experienced Legal Professionals

Elevate's global flexible legal resourcing provides a systematic approach to deliver consistent, creative solutions, both onsite and remotely, for your interim, project-based, and permanent needs.

Accelerate the process by partnering with Elevate to access over 18,500 qualified lawyers, paralegals, and legal operations professionals.

- Pre-vetted professionals available for immediate placements
- Skills assessment to ensure seamless integration into your team
- Experts in emerging areas, like privacy, healthcare, and employment law
- Onsite or remote talent for interim, project-based, or permanent needs delivered through Elevate's Enterprise Legal Management (ELM) platform programme creation
